

**ASSEMBLY BILL**

**No. 1336**

---

**Introduced by Assembly Member Cogdill**

February 22, 2005

---

An act relating to school facilities.

LEGISLATIVE COUNSEL'S DIGEST

AB 1336, as introduced, Cogdill. School facilities: construction plans.

Existing law requires the governing board of a school district, or any other school authority, to submit plans for the construction or, if the estimated cost exceeds \$25,000, the alteration of any school building to the State Department of General Services for approval.

This bill would provide the intent of the Legislature to enact legislation that would lower the costs associated with the approval of school construction plans by the State Department of General Services.

Vote: majority. Appropriation: no. Fiscal committee: no.  
State-mandated local program: no.

*The people of the State of California do enact as follows:*

- 1 SECTION 1. It is the intent of the Legislature to enact
- 2 legislation that would lower the costs associated with the
- 3 approval of school construction plans by the State Department of
- 4 General Services.
